Express Postage	-\$12.00
-----------------	----------

Registered Mail by quotation.

## The Technical Stuff

- We can save your images on CD/DVD.
- We scan prints at 600dpi (dots per inch) and your slides/negatives 2500 dpi.
- We generally save your images as a JPEG file, but we can save them as alternative file format, such as TIFF, if required. Please remember as these formats are substantially larger you will get fewer images on a CD/DVD.
